### OUR PRES SAYS

THE CURTAIN HAS RUNG DOWN ON ACT ONE! BRAVO TO THE PLAYERS IN OUR OWN VERSION OF "AROUND THE WORLD IN ~~89-94-9~~ 96 HOURS". BRAVO TO THE PRODUCERS AND DIRECTOR! BRAVO TO THE BEHIND-THE-SCENES WORK OF OUR MANY "STAGE HANDS".

THE "CRITICS" ARE IN THE LOBBY NOW, WONDERING WHAT IT IS THAT THE AVANT-GARDE WEST-COASTERS ARE ATTEMPTING TO DO AND SAY IN THEIR LATEST FORAY INTO THE EAST-COAST "THEATER".

IT IS TOO SOON TO SAY WE HAVE A HIT ON OUR HANDS. THE SECOND ACT IS YET TO BE PLAYED, AND THE AUDIENCE WILL BE HARDER TO CAPTURE AS THE DIALOGUE IS SPOKEN- SENT.

WE CAN ASSURE THE SUCCESS OF OUR PRODUCTION IF ALL THOSE RESPONSIBLE FOR THE RESULTS THUS FAR ATTAINED WILL PERFORM AT THE SAME OR HIGHER LEVEL IN THE SECOND ACT. RE-READ THE SCRIPT, MEMORIZE YOUR LINES, FOLLOW THE STAGE DIRECTIONS, AND DON'T TRIP ON THE PROPS!

IN OTHER WORDS, KICK BUTT IN NOVEMBER, TOO, AND WE'LL BRING HOME ANOTHER SURPRISE TO THE "EAST-COAST ESTABLISHMENT".

73, Bob, N6KB

LET'S HEAR IT FROM VP/CC, RICH

CONGRATULATIONS ON A SUPERB SHOWING IN THE CQWW PHONE. THE CLUB IS STILL BUZZING WITH EXCITEMENT, EVEN WEEKS AFTER THE CONTEST IS OVER. IT LOOKS LIKE THE CQWW HAS SPARKED SUCH INTEREST IN OUR MEMBERS AS HASN'T BEEN SEEN IN YEARS. THE ACTIVITY DURING THE PHONE WEEKEND WAS INCREDIBLE WITH SCADS OF SIXES FILLING THE BANDS. MANY FINE SCORES CAME OUT OF A WEEKEND OF HARD WORK BY MANY OPERATORS. SO FAR, IT LOOKS LIKE THE CLUB HAS A CHANCE TO TURN IN A VERY RESPECTABLE SCORE. WELL DONE!!

BUT THAT WAS ONLY ROUND ONE (OR ACT ONE-SEE N6KB-ED.). ALREADY, MANY HAVE TREATED THE CUTS AND BRUISES OF SLUGGING IT OUT IN THE PILE-UPS, HAVE RESTED AND RECOVERED, AND ARE JUST ABOUT READY TO SPRING OUT OF THEIR CORNER WHEN THE BELL SOUNDS FOR ROUND TWO.

THAT WILL BE LITTLE MORE THAN A WEEK AWAY, NOV. 28-29, CQWW CW! UNFORTUNATELY, THE BANTAM WEIGHTS ARE IN THE SAME RING WITH THE HEAVYWEIGHTS, BUT REALLY EACH CLASS COMPETES WITHIN ITSELF. AND THE IMPORTANT THING IS CLUB SCORE. SO DON'T THROW THE TOWEL IF THE GOING GETS ROUGH. BE SURE TO KEEP SHUFFLING MULTIPLIERS INTO THE TWO METER NET ON 147.96/36. LET'S ALL GET ON FOR THE CW WEEKEND AND GO FOR A KNOCK-OUT.

KEEP TRACK OF THE LOG DEADLINES. ALL ENTRIES MUST BE POSTMARKED NO LATER THAN DEC. 1, 1981 (PHONE); JAN. 15, 1982 (CW). SEND TO: CQ MAGAZINE, 76 NORTH BROADWAY, HICKSVILLE, NEW YORK, 11801. ALSO, SEND A COPY OF EACH SUMMARY SHEET TO GARY CALDWELL, WA6VEF, 26934 HALIFAX PLACE, HAYWARD, CA 94542.

### P-29 CQWW CONTEST rules

A provincial government leader in the Western Highlands of Papua New Guinea has criticised tribesmen for 'breaking the traditional rules of tribal fighting' during several recent clashes between tribes. The rules are sacred and shouldn't be broken, the Premier of the Western Highlands, Mr Nambuza Mara, said. He appealed to the national government to make sure that if tribes must fight, then they should stick to the rules enshrined in tradition.

Mr Mara, who is also a village chief, said one of the traditional rules being broken was that women, children and chiefs should not be injured or killed in tribal fights. As well, warriors were not obeying the rule that no person killed in a clash should be 'cooked or burnt'. He added: 'Another significant rule which has not been observed lately is that feuding groups are not supposed to make surprise attacks before 6am and after 5pm.'

### ARRL BULLETIN NR 112 FROM ARRL HEADQUARTERS NEWINGTON CT OCTOBER 7, 1981 TO ALL RADIO AMATEURS BT

Starting October 23, 1981, U.S. amateurs will no longer be required to give the callsign of the station with which they are in contact unless international third party traffic is being handled. Furthermore, there will no longer be a requirement to identify your station at the beginning of a transmission, so long as you identify your station at the end of the transmission or series of transmissions and at least once each ten minutes during the communication. CQWW CW Weekend--0000Z November 28 to 0000Z November 30.

Wow! All I can say is "Congratulations!" to each and every one of you who helped NCCC run up a total of 97 Megapoints during the SSB weekend of the CQ World Wide Contest. It looks like we'll fall a bit short of our 200 million point goal. But, we stand a good chance of reaching the 180 Megapoint mark, which would easily smash the CQ Club Competition record set two years ago by the Frankford Radio Club.

Here's the scoop. Hamor has it that the Yankee Clipper Contest Club is claiming an SSB-weekend total of 100 Meg. FRC is apparently running behind YCCC, despite getting about 60% of the 42 million point score from 7410. Our own 97 Meg tally is a conservative estimate, taking into account duplicate QSOs. So, the bottom line is: RIGHT NOW, we're tied for FIRST PLACE in the Club Competition standings.

Two things are extremely important at this stage in our Club effort. First, be sure to send in your SSB score, no matter how many QSOs you made, before the December 1, 1981, mailing deadline. The address is:

CQ Magazine--CQWW SSB Weekend  
75 North Broadway  
Hicksville, NY 11801

You might want to consider sending your log certified mail, with a return request receipt, to insure that it doesn't get lost in the shuffle.

Second, operate for as many hours as you possibly can during the World Wide CW weekend. Even if CW is not your strong suit, every QSO that you can make is vital to the NCCC effort.

Here's the list of our operators who are gonna K some B during the CW weekend:

K6MR by N6BT.

VP2V by N6OM.

8P6J by W6HJ.

VP2M by AJ6V.

9Y4 by W6K6 and W6QL.

In addition to the above list of "all-systems-go" expeditions, WB6JND intends to be active from KH6. As well, new member WL7ADM and NCCC veteran K6BR plan separate single-op efforts from KP4. AA6UC may be on from 4X4, and, if in Canada during the TW weekend, N6CH plans activity from VE7. These five expeditions, however, are all ~~possible~~, and we should consider them as bonus points over the CW if they materialize.

The CW weekend contest net will again be held on W6ACI, 147.265/36., with K6M2Z co-ordinating net activities. The 838 net ran extremely smoothly, and a big "Thank You!" is in order to all NCC's and participants for their excellent participation, as well as to K6M2Z for co-ordinating the whole thing. After the CW contest, be sure to check into the NCCC repeater, WB6ADM (147.04/.24), or on 3.815 MHz to give your scores. The meeting place after the contest ~~and our emergency~~ will be 2115A hrs.

Also, get those summary sheet copies in to me as soon as you can. I need them so that I can accurately report our Club scores to the CQWW Contest Committee. In addition, to be eligible for any ~~Club~~ Club awards, your summary sheets for each score must be received by me no later than December 10, 1981. If you have any last-minute co-ordination problems with the CW contest, please contact ~~our VP2BC~~ ~~and~~ ~~W6MA~~, N6BT (N6B-374-4323). He'll be taking over for me while I'm in the Caribbean.

Back in April, I spoke with Larry Bowman, N6IB, Co-Chairman of the CW Contest Committee, and told him of NCCC's TWW plans. He said, "You know, this isn't the ~~Summer~~ contest. It's the big ~~W6~~ contest." Well, here we are, ~~from~~ ~~back~~ ~~and~~ ~~back~~ with the big ~~W6~~ contest. We have a chance, a real chance, to stage the biggest come-from-nowhere victory in radio contesting history--if everybody in this Club gets in there and pushes and kicks just as hard as they can. There's a perfect opportunity to show that NCCC is ~~number~~ ONE in all contests, not just domestic ones. Let's do it!!!!!!
